

## From This Moment On

Ella Fitzgerald

From this moment on, you for me, dear  
Only two for tea, dear, from this moment on  
From this happy day, no more blue songs  
Only whoop dee doo songs, from this moment on

For you've got the love I need so much  
Got the skin I love to touch  
Got the arms to hold me tight  
Got the sweet lips to kiss me goodnight

From this moment on, you and I, babe  
We'll be riding high, babe  
Every care is gone, from this moment on

From this happy day, no more blue songs  
Only whoop dee doo songs, from this moment on

For you've got the love I need so much  
Got the skin I love to touch  
Got the arms to hold me tight  
Got the sweet lips to kiss me goodnight

From this moment on, you and I, babe  
We'll be riding high, babe  
Every care is gone, from this moment on
