

From This Moment On

Ella Fitzgerald

From this moment on, you for me, dear
Only two for tea, dear, from this moment on
From this happy day, no more blue songs
Only whoop dee doo songs, from this moment on

For you've got the love I need so much
Got the skin I love to touch
Got the arms to hold me tight
Got the sweet lips to kiss me goodnight

From this moment on, you and I, babe
We'll be riding high, babe
Every care is gone, from this moment on

From this happy day, no more blue songs
Only whoop dee doo songs, from this moment on

For you've got the love I need so much
Got the skin I love to touch
Got the arms to hold me tight
Got the sweet lips to kiss me goodnight

From this moment on, you and I, babe
We'll be riding high, babe
Every care is gone, from this moment on
