

# I Am In Love

Ella Fitzgerald

I am dejected, I am depressed  
Yet resurrected and sailing the crest  
Why this elation mixed with deflation?  
What explanation? I am in love

Such conflicting questions ride around in my brain  
Should I order cyanide or order champagne?  
Oh, what is this sudden jolt? I feel like a frightened colt  
Just hit by a thunderbolt, I am in love

I knew the odds were against me before  
I had no flair for flaming desire  
But since the Gods gave me you to adore  
I may lose but I refuse to fight the fire

So come and enlighten my days and never depart  
You only can brighten the blaze that burns in my heart  
For I am wildly in love with you  
And so in need of a stampede of love

I knew the odds were against me before  
I had no flair for flaming desire  
But since the Gods gave me you to adore  
I may lose but I refuse to fight the fire

So come and enlighten my days and never depart  
You only can brighten the blaze that burns in my heart  
For I am wildly in love with you  
And so in need of a stampede of love  
And so in need of a stampede of love
