Love Is Here to Stay

Ella Fitzgerald

Its very clear, our love is here to stay Not for a year, but forever and a day The radio and the telephone, And the movies that we know May just be passing fancies And in time may go

But, oh my dear Our love is here to stay Together we're going a long long way In time the Rockies may crumble Gibraltar may tumble They're only made of clay But our love is here to stay

But oh, oh my dear Our love is here to stay Together we're going a long long way In time the Rockies may crumble Gibraltar may tumble They're only made of clay But our love is here to stay Its here to stay Its here to stay.
