

Stars Fell on Alabama

Ella Fitzgerald

We lived our little drama, we kissed in a field of white
And stars fell on Alabama last night
I can't forget the glamor, your eyes held a tender light
And stars fell on Alabama last night

I never planned in my imagination a situation so heavenly
A fairy land where no one else could enter
And in the center, just you and me
My heart beat like a hammer, my arms wound around you tight
And stars fell on Alabama last night

I never planned in my imagination a situation so heavenly
A fairy land where no one else could enter
In the center, just you and me
My heart beat like a hammer, my arms wound around you tight
And stars fell on Alabama last night
