

That Old Black Magic

Ella Fitzgerald

That old black magic has me in its spell
That old black magic that you weave so well
Those icy fingers up and down my spine
The same old witchcraft when your eyes meet mine.
The same old tingle that I feel inside
And then that elevator starts its ride
And down and down I go, round and round I go
Like a leaf that's caught in the tide.

I should stay away but what can I do?
I hear your name and I'm aflame,
Aflame with such a burning desire

That only your kiss can put out the fire.
For you're the lover I have waited for
The mate that fate had me created for
And every time your lips meet mine.
Darling, down and down I go
Round and round I go in a spin,
Loving the spin I'm in under that old black magic called love.
