

## That Old Feeling

Ella Fitzgerald

Last night I started out happy  
Last night my heart was so gay  
Last night I found myself dancing  
In my favorite cabaret  
You were completely forgotten  
Just an affair of the past  
Then suddenly something happened to me  
And I found my heart beating, oh, so fast

I saw you last night and got that old feeling  
When you came in sight I got that old feeling  
The moment that you danced by I felt a thrill  
And when you caught my eye my heart stood still  
Once again I seemed to feel that old yearning  
And I knew the spark of love was still burning  
There'll be no new romance for me, it's foolish to start  
For that old feeling, is still in my heart

I saw you last night and got that old feeling  
When you came in sight I got that old feeling  
The moment that you danced by I felt a thrill  
And when you caught my eye my heart stood still  
Once again I seemed to feel that old yearning  
And I knew the spark of love was still burning  
There'll be no new romance for me, it's foolish to start  
For that old feeling, is still in my heart
