

## Missed

Ella Henderson

You think you're missed,  
Well let me tell you this,  
The love I felt for you,  
Has flown away...

And now you see,  
What have you done to me  
So all I can ask is why, why  
You made us feel like one,  
I should've known that you were wrong,

Oh yeah, you did it on your own,  
Now you got to go,  
Oh no, I won't let you get me down,  
You tried to hurt my feelings,  
You stopped me dreaming,  
But here I draw the line,  
I wish you luck in life and goodbye...

You let me think,  
That you were so so true  
Lows, lies, truth cannot lie  
You wanted to go,  
From a high straight down to a low

But all excuses here,  
The reasons they are everywhere  
Chasing rainbows can be fun  
Been chasing you for so long

Oh yeah, you did it on your own,  
Now you got to go,  
Oh no, I won't let you get me down,  
You tried to hurt my feelings,  
You stopped me dreaming,  
But here I draw the line,  
I wish you luck in life and goodbye
