

# Shame

Elle King

Oh, you feel it creep,  
Creeping at the tempo,  
Don't you need it pumped,  
Pumping 'til it crumbles,  
Trouble, trouble's what you need,  
That's what you get in getting me,  
From the bottom of your soul,

Shame, shame, shame, shame,  
Mama doesn't know, ooh,  
Every night you go to,  
Shame, shame, shame, shame,  
Devil woman wants to roll, ooh,  
I can make you shake,  
Rattle your bones,

I'm a fire, just to spark under your halo,  
Rolling thunder, I'm high up, ain't got no shame, no,  
Trouble, hey, what you calling me?  
Uh, come get some of what you need,  
From the bottom of your soul

Shame, shame, shame, shame,  
Mama doesn't know, ooh,  
Every night you go to,  
Shame, shame, shame, shame,  
Devil woman wants to roll, ooh,  
I can make you shake,  
Rattle your bones,

You can live forever, babe,  
Walk with me in shadows,  
I can make you better, babe,  
Come pray with me, get safe with me,

Shame, shame, shame, shame,  
Mama doesn't know, ooh,  
Every night you go to,  
Shame, shame, shame, shame,  
Devil woman wants to roll, ooh,  
I can make you shake,  
Shame, shame, shame, shame,  
Mama doesn't know, ooh,  
Every night you go to,  
Shame, shame, shame, shame,  
Devil woman wants to roll, ooh,  
I can make you shake,  
Rattle through your bones...□
