

This is the part where you give in
Tell me you can't live without me
Change that face your making
I'm so scared I can't breathe
Hearts beating like a bad drummer
Skippin' around like a school girl
Trying to keep composure
In the middle of the end of my world

I wanna grab on your feet, and make a fool of myself
And beg you desperately to say you'll never leave
Behave irrationally
But instead I'll
Say
Wait, don't
Baby baby please don't
Wait, no, don't
Baby baby please don't
Go go go go go go go
Go go go go go go

Bad as I wanna look good
Pretend I don't give a damn
I wanna save what is left here, even if it's crumbs of a romance
I've run cold outta tactics
Love don't know how to bargain
I wish this all was nightmare, that would be gone in the morning

I wanna lay on the floor
Cry a river or two until you promise to stay
But I already know, I wouldn't get it but though
So instead I'll
Say
Wait, don't
Baby baby please don't
Wait, no, don't
Baby baby please don't
Go go go go go go go
Go go go go go go

Please don't go
I could beg you real fast or beg you real slow
No, no, no
I got a lot of love that I can't control
Oooh
No, don't
Oh your breakin me down
Baby baby please don't
Go go go go go go go
Go go go go go go
Breakin me down, breakin me down
Breakin me down, breakin me down
