## **Cakes And Ale And Everlasting Laugh**

## **ELLEGARDEN**

You shy boy Don't be afraid In your book what does it say to you? Easy easy easy does it You just have to love who you are Day by day Things are all messed up All we need is cakes and ale and everlasting laugh Face our faith It'll be alright Hesitate no more We'll be fine Let's throw them all on fire Hey shy girl Don't she'd no tears In your song what does it say to you? Easy easy easy does it You just have to enjoy who you are Day by day Things are all messed up All we need is cakes and ale and everlasting laugh Face our faith It'll be alright Hesitate no more We'll be fine Smash the radio Hey girl let's smash the radio Day by day Things are all messed up All I need is cakes and ale and everlasting laugh Day by day Things are all messed up All we need is cakes and ale and everlasting laugh Face our faith It'll be alright Hesitate no more We'll be fine Smash the radio Hey man let's throw them all on fire
