

# Anything Could Happen

Ellie Goulding

Stripped to the waist  
We fall into the river  
Cover your eyes  
So you don't know the secret  
I've been trying to hide  
We held our breath  
To see our names are written  
On the wreck of '86  
That was the year  
I knew the panic was over

Yet since we found out  
Since we found out  
That anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could

After the war we said we'd fight together  
I guess we thought that's just what humans do  
Letting darkness grow  
As if we need its palette and we need its colour  
But now I've seen it through  
And now I know the truth

That anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could happen  
Anything could

Baby, I'll give you everything you need  
I'll give you everything you need, oh  
I'll give you everything you need  
But I don't think I need you

Stripped to the waist  
We fall into the river  
Cover your eyes  
So you don't know the secret  
I've been trying to hide  
We held our breath  
To see our names are written  
On the wreck of '86  
That was the year  
I knew the panic was over

Yet since we found out  
Since we found out  
That anything could happen  
Anything could happen  
Anything could happen

Anything could happen  
Anything could happen  
Anything could happen  
Anything could

I know it's gonna be  
I know it's gonna be  
I know it's gonna be  
I know it's gonna be  
I know it's gonna be  
I know it's gonna be  
I know it's gonna be  
I know it's gonna be  
I know it's gonna be  
Oh, whoa

But I don't think I need you  
But I don't think I need you  
But I don't think I need you  
But I don't think I need you
