

Burn

Ellie Goulding

We, we don't have to worry 'bout nothing
Cause we got the fire, and we're burning one hell of a something
They, they gonna see us from outer space, outer space
Light it up, like we're the stars of the human race, human race

When the lights turned down, they don't know what they heard
Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
Cause we got the fire, fire, fire, yeah and we got the fire, fire, fire

And we gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn
Gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn

We don't wanna leave, no, we just wanna be right now
And what we see, is everybody's on the floor acting crazy getting lurker to the lights out
Music's on, I'm waking up, we stop the vibe, and we bump it up
And it's over now, we got the love, there's no secret now, no secret now...

When the lights turned down, they don't know what they heard
Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
Cause we got the fire, fire, fire, yeah and we got the fire, fire, fire

And we gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn
Gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn

When the lights turned down, they don't know what they heard
Strike the match, play it loud, giving love to the world

We gonna let it burn, burn, burn, burn, burn, burn
Burn, burn, burn, burn, burn, burn

We can light it up, up, up
So they can't put it out, out, out
We can light it up, up, up
So they can't put it out, out, out
We can light it up, up, up
So they can't put it out, out, out
We can light it up, up, up
So they can't put it out, out, out

When the lights turned down, they don't know what they heard
Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
Cause we got the fire, fire, fire, yeah and we got the fire, fire, fire

And we gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn
Gonna let it burn burn, burn, burn
We gonna let it burn, burn, burn, burn

When the lights turned down, they don't know what they heard

Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
Cause we got the fire, fire, fire, yeah and we got the fire, fire, fire

And we gonna let it burn
