We, we don't have to worry 'bout nothing Cause we got the fire, and we're burning one hell of a something They, they gonna see us from outer space, outer space Light it up, like we're the stars of the human race, human race

When the lights turned down, they don't know what they heard Strike the match, play it loud, giving love to the world We'll be raising our hands, shining up to the sky Cause we got the fire, fire, fire, yeah and we got the fire, fire, fire

And we gonna let it burn, burn, burn, burn We gonna let it burn, burn, burn, burn Gonna let it burn, burn, burn, burn We gonna let it burn, burn, burn, burn

We don't wanna leave, no, we just wanna be right now And what we see, is everybody's on the floor acting crazy getting lurker to the lights out

Music's on, I'm waking up, we stop the vibe, and we bump it up And it's over now, we got the love, there's no secret now, no secret now...

When the lights turned down, they don't know what they heard Strike the match, play it loud, giving love to the world We'll be raising our hands, shining up to the sky Cause we got the fire, fire, fire, yeah and we got the fire, fire, fire

And we gonna let it burn, burn, burn, burn We gonna let it burn, burn, burn, burn Gonna let it burn, burn, burn, burn We gonna let it burn, burn, burn, burn

When the lights turned down, they don't know what they heard Strike the match, play it loud, giving love to the world

We gonna let it burn, burn, burn, burn, burn, burn Burn, burn, burn, burn, burn

We can light it up, up, up
So they can't put it out, out, out
We can light it up, up, up
So they can't put it out, out, out
We can light it up, up, up
So they can't put it out, out, out
We can light it up, up, up
So they can't put it out, out, out

When the lights turned down, they don't know what they heard Strike the match, play it loud, giving love to the world We'll be raising our hands, shining up to the sky Cause we got the fire, fire, fire, yeah and we got the fire, fire

And we gonna let it burn, burn, burn, burn We gonna let it burn, burn, burn, burn Gonna let it burn burn, burn, burn We gonna let it burn, burn, burn, burn

When the lights turned down, they don't know what they heard

Strike the match, play it loud, giving love to the world We'll be raising our hands, shining up to the sky Cause we got the fire, fire, fire, yeah and we got the fire, fire, fire

And we gonna let it burn
