

Human

Ellie Goulding

Human behave yourself,
you have burst at the seams
let it all fall out open your mouth
often I lie wide awake,
think of things I can make
but I don't seem to have the parts to build them
Human I wonder why you're a better make than I could ever build or create,
you know not love or hate
I am so scared of what will kill me in the end for I am not prepared,
I hope I will get the chance to be someone,
to be human,
look what we've done,
look what we've done

I would give my life, to be human
I would give my life, to be human
I would give my life, to be human
I would give my life, to be.

Human I'm trying to come clean,
I will be a better me,
I will not drink until I'm dead
I'll make the most of it.
I don't know what it's like to be alive,
to say goodbye,
to cry a thousand tears because my ears won't listen
Human I'm trying not to lose my faith in you,
I've sussed out all that I've seen through,
I've sailed an ocean

I am so scared of what I'll look like in the end for I am not prepared,
I hope I will get the chance to be someone
to be human,
look what we've done,
look what we've done

I would give my life, to be human
I would give my life, to be human
I would give my life, to be human
I would give my life, to be human

I used to hear it all so loud,
the sound of my heart breaking.
The truth is waiting to be found,
I trust that I will take it
I would give my life,
I would give my life (human)
I would give my life (human)
I would give my life (human)

I would give my life, to be human
I would give my life, to be human
I would give my life, to be human
I would give my life, to be human
