

# Human

Ellie Goulding

Human behave yourself,  
you have burst at the seams  
let it all fall out open your mouth  
often I lie wide awake,  
think of things I can make  
but I don't seem to have the parts to build them  
Human I wonder why you're a better make than I could ever build or create,  
you know not love or hate  
I am so scared of what will kill me in the end for I am not prepared,  
I hope I will get the chance to be someone,  
to be human,  
look what we've done,  
look what we've done

I would give my life, to be human  
I would give my life, to be human  
I would give my life, to be human  
I would give my life, to be.

Human I'm trying to come clean,  
I will be a better me,  
I will not drink until I'm dead  
I'll make the most of it.  
I don't know what it's like to be alive,  
to say goodbye,  
to cry a thousand tears because my ears won't listen  
Human I'm trying not to lose my faith in you,  
I've sussed out all that I've seen through,  
I've sailed an ocean

I am so scared of what I'll look like in the end for I am not prepared,  
I hope I will get the chance to be someone  
to be human,  
look what we've done,  
look what we've done

I would give my life, to be human  
I would give my life, to be human  
I would give my life, to be human  
I would give my life, to be human

I used to hear it all so loud,  
the sound of my heart breaking.  
The truth is waiting to be found,  
I trust that I will take it  
I would give my life,  
I would give my life (human)  
I would give my life (human)  
I would give my life (human)

I would give my life, to be human  
I would give my life, to be human  
I would give my life, to be human  
I would give my life, to be human
