

Wish I Stayed

Ellie Goulding

Ok, Ok, I know you've been thinking it
I've been thinking it.
I'm quite certain the four inactive girls aloud members are thinking it?
by jove, what ARE the lyrics to Ellie Goulding's dance-
thwomp "Wish I Stayed"

well, I've been trying to work it out, so this is what I've come up with.

Why Can't we speak another language
one we all agree on
why when men look outside do they see houses
instead of fields they grew from
we are constantly uprooted from them
making us tiresome and fearful
can you get up right now
and endeavor freefall (off)

you can fall if you want to
it's just a matter of how far
you've treasured your home town
you've forgotten where you are
and it will stay with you
til' your mind's been found
and it has been found
wondering around.

Without a skipping rope
A trampoline
A Crafty smoke
they've made a simpler way to give up
it's the simple ways
of getting payed
the carelessness of lieing awake
oh i wish i stayed
I wish i stayed
I wish i stayed

Patterns all arranged in my background
It's pillars and posts keeping this country on form
letters were all sent with no addresses
so that people can't scuffer
always undercover
why do i always draw triangles
instead of words
it's paint so it serves

you see
I don't own my clothes but i own my mind
And it's not what you've lost
but it's what you'll find
I don't own my clothes but i own my mind
And it's not what you've lost
but it's what you'll find

Without a skipping rope
A trampoline
A crafty smoke

they've made a simpler way to give up
it's the simple ways
of getting payed
the carelessness of lieing awake
I wish I stayed
I wish I stayed

Can you can fall if you want to
It's just a matter of how far
You've treasured your home town
you've forgotten where you are
and it will stay with you
til' your mind's been found
and it has been found
wondering around.

Without a skipping rope
A trampoline
A crafty smoke
they've made a simpler way to give up
it's the simple ways
of getting payed
the carelessness of lieing awake
I wish I stayed
I wish I stayed
