

# Grateful For Your Love

Ellie Holcomb

Love is an ocean  
Hope is a promise  
Light is overtaking  
Grace is overwhelming

You chase the sin to the dark and Lord we're grateful, oh we're grateful  
You captured our hearts with your love, oh Lord You're faithful, You are faithful  
Nothing we've ever done was too much for You to handle on the Cross  
We're grateful for Your love

Weight is lifted  
Mercy tore the curtains  
Sin is no master  
Freedom calls our name

You chase the sin to the dark and Lord, We're grateful, oh we're grateful  
You captured our hearts with Your love, Oh Lord You're faithful, You are faithful  
Nothing that we've ever done was too much for You to handle on the Cross  
We're grateful for Your love

Life is granted  
Chains have been broken

You chase the sin to the dark and Lord, we're grateful, oh we're grateful  
You captured our hearts with Your love, O Lord You're faithful, You are faithful  
Nothing that we've ever done was too much for you to handle on the Cross

We're grateful for Your love, You chase the sin to the dark and Lord, we're grateful, oh we're grateful  
You captured our hearts with Your love Oh Lord, You're faithful, you are faithful  
Nothing that we've ever done was too much for you to handle on the Cross  
We're grateful for Your love  
We are grateful, We're grateful, We are grateful for Your love, We're grateful for Your Love
