

# Magnolia

Ellie Holcomb

Oh Magnolia, won't you stay with me  
Won't you wake up and see that I'm waiting  
Oh Magnolia, won't you walk with me  
Won't you let me be your sweet companion  
Oh Magnolia, Oh Magnolia  
You've been working till your hands they bleed  
And your eyes can't see (a change you're wearing)  
You've been hoping that you could make it right  
But the more you try the more you're failing  
Oh Magnolia, Oh Magnolia  
Oh Magnolia, won't you please come home  
Oh Magnolia, you don't have to walk alone  
Oh Magnolia, won't you rest your head on my shoulder  
You've been walkin' through this world alone  
No place to call your home except your heartache  
You've been tryin' to make it all work out  
When the sun goes down your soul is burdened  
Oh Magnolia, Oh Magnolia  
Oh Magnolia, won't you please come home  
Oh Magnolia, you don't have to walk alone  
Oh Magnolia, won't you rest your head on my shoulder  
Oh Magnolia, won't you stay with me  
Won't you wake up and see that I'm waiting  
Oh Magnolia, won't you walk with me  
Won't you let me be your sweet companion  
Oh Magnolia, Oh Magnolia, Oh Magnolia, Oh Magnolia
