

# Marvelous Light

Ellie Holcomb

I'm not who I once was  
Defined by all the things I've done  
Afraid my shame would be exposed  
Afraid of really being known  
But then you gave my heart a home

So I walked out of the darkness and into the light  
From fear of shame into a hope of life  
Mercy called my name and right away to fly  
Out of the darkness and into the light

With years of keeping secrets save  
Wondering if I could change  
Cause when you're hiding all alone  
Your heart can turn into a stone  
And that's not the way I wanted to go

So I walk out of the darkness and into the light  
From fear of shame and into a hope of life  
Mercy called my name and right away to fly  
Out of the darkness an into the light

There's no place I would rather be  
Your light is Marvelous  
Your light is Marvelous

You have come to set us free  
You are Marvelous  
Your light is Marvelous

So I walked out of the darkness an into the light  
From fear of shame into a hope of life  
Mercy called my name and right away to fly  
Out of the darkness an into the light
