

## Rescue

Ellie Holcomb

Look at all the broken, pieces all around me  
Pieces deep inside my soul  
I don't know what's real can't, help the way I'm feeling  
All I know is I'm alone

I need a rescue, I need a reckoning  
From all the things I've done and have been done to me  
I need revival, I need recovery  
I need to know that there's an answer for what's missing...

'Cause something's missing, oh-ohh  
'Cause something's missing, oh-ohh

Turn up all the music, something to amuse me  
Silence is a lonely friend  
If you really knew me, could you really love me?  
Save me from this loneliness

I need a rescue, I need a reckoning  
From all the things I've done and have been done to me  
I need revival, I need recovery  
I need to know that there's an answer for what's missing...

'Cause something's missing, oh-ohh  
'Cause something's missing, oh-ohh

It's like I fell into a hole too deep to climb out  
And I looked up to the sky and saw You reaching down  
Reaching down

You are the rescue, You are the reckoning  
From all the things I've done and have been done to me  
You are revival, You're my recovery  
I know that You're the answer for what's missing...

Because You love me, oh-ohh  
Because You love me, oh-ohh  
Because You love me, oh-ohh  
Because You love me...
