

You Are Loved

Ellie Holcomb

Some days you're tired of trying to measure up
You see a girl whose not enough
When you look in the mirror
Some nights all you wanna do is hide
'Cause every time you look inside
You're face to face with failure

But you are loved, oh
Not because of what you've done, no
Even when your heart has run the other way
Nothing's gonna change His love
And you are wanted
Not because you are perfect
I know that you don't think you're worth that kind of grace
But look into His face you'll know
That you are loved...

Oh-oh-oh
Oh-oh-oh-oh, oh-oh-oh
Oh-oh-oh-ohh, oh-oh-oh
Oh-oh-oh-oh

You've searched for something that will stir your soul
That'll make you feel less alone
But nothing ever saves you
Well He knew before you ever took a breath
There'd be days when you'd forget
How beautiful He made you

But you are loved, oh
Not because of what you've done, no
Even when your heart has run the other way
Nothing's gonna change His love
And you are wanted
Not because you are perfect
I know that you don't think you're worth that kind of grace
But look into His face you'll know...

That Jesus
He chose you, He sees you
He knows you, o-o-oh oh
You are covered, forever, beloved, a daughter

And you are loved
Not because of what you've done
Even when your heart has run the other way
Nothing's gonna change His love
And you are wanted
Not because you are perfect
I know that you don't think you're worth that kind of grace
But look into His face you'll know
That you are loved

Look into His face, you'll see it there
Look into His face, you'll know, oh-oh-oh
That you are loved, oh-oh-oh
That you are loved, oh-oh-oh

Look into His face, you'll see it there
You are loved...
