

## Bottle Up and Explode!

Elliott Smith

Bottle up and explode over and over  
Keep the troublemaker below  
Put it away and check out for the day  
In for a round of overexposure  
The thing mother nature provides  
To get up and go  
Bottle up and explode, seeing stars surrounding you  
Red white and blue

You look at him like you've never known him  
But I know for a fact that you have  
The last time you cried  
Who'd you think was inside?  
Thinking that you were about to come over  
But I'm tired now of waiting for you  
You never show  
Bottle up and go, if you're gonna hide, it's up to you  
I'm coming through

Bottle up and go  
I can make it outside  
I'll get through  
Becoming you  
Becoming you  
Becoming you
