

# Bye

Elliott Smith

Oh, yeah  
Let the band play one time now

It was early one morning  
I was on my way to school  
Early one morning  
I was on my way to school  
Got lost on monday morning  
I broke my teachers rule

I was in love with you, baby  
Before I learned to call your name  
I was in love with you, baby  
Before I learned to call your name  
Now you're in love with someone else  
You're bound to drive poor me insane

Oh, yeah ( )  
I said bye, bye bye, baby, bye bye  
I said bye, bye bye, baby, bye, bye  
Ha ha  
I said bye, bye bye, baby, bye, bye  
Bring it down here  
I said bye, bye bye, baby, bye, bye  
Bye, bye bye, baby, bye, bye  
I said bye, bye bye, baby, bye, bye  
Yeah  
Bye, bye bye, baby, bye, bye  
Bye, bye bye, baby, bye, bye  
I said bye, bye bye, baby, bye, bye
