Miss Misery

Elliott Smith

I'll fake it through the day With some help from johnny walker red Send the poison rain down the drain To put bad thoughts in my head Two tickets torn in half And a lot of nothing to do Do you miss me, miss misery Like you say you do?

A man in the park Read the lines in my hand Told me I'm strong Hardly ever wrong I said man you mean

You had plans for both of us That involved a trip out of town To a place I've seen in a magazine That you left lying around I don't have you with me but I keep a good attitude Do you miss me, miss misery Like you say you do?

I know you'd rather see me gone Than to see me the way that I am But I am in the life anyway

Next door the tv's flashing Blue frames on the wall It's a comedy of errors, you see It's about taking a fall To vanish into oblivion Is easy to do And I try to be but you know me I come back when you want me to Do you miss me miss misery Like you say you do?
