

Say Yes

Elliott Smith

I'm in love with the world through the eyes of a girl
Who's still around the morning after
We broke up a month ago, and I grew up - I didn't know
I'd be around the morning after

It's always been wait and see
A happy day and then you'll pay
And feel like shit the morning after
But now I feel changed around
And instead of falling down
I'm standing up the morning after
Situations get fucked up and turned around sooner or later
I could be another fool or an exception to the rule
You tell me the morning after

Crooked spin can't come to rest
I'm damaged bad at best
She'll decide what she wants
I'll probably be the last to know
No one says it 'til it shows
See how it is, they want you or they don't
Say yes

I'm in love with the world through the eyes of a girl
Who's still around the morning after
