

# Southern Belle

Elliott Smith

Killing a southern belle is all you know how to do  
That and give other people hell  
It's what they expect from you too  
But I wouldn't have you how you are

I don't wanna walk around  
I don't even wanna breathe  
I live in a southern town  
Where all you can do is grit your teeth  
But I wouldn't have you how you are

How come you're not ashamed of what you are?  
And sorry that you're the one she got?

Ain't nobody looking now  
Nobody nothing's said  
No one's about to shout  
Nobody's seeing red  
But I wouldn't have you how are

You're killing a southern belle  
Killing a southern belle  
Killing a southern belle
