

Moody's Mood For Love

Elliott Yamin

There I go, there I go, there I go
There I go
Pretty baby, you are the soul
Who snaps my control

Such a funny thing but every time I'm near you
I never can behave
You give me a smile and then I'm wrapped up in your magic
Music all around me, crazy music

Music that keeps calling me so very close to you
Turn me into your slave
Come and do anything with me that you want to
Anything baby, just let me get next to you

Am I insane or do I really see
Heaven in your eyes?
Bright as stars that shine up above you
In the clear blue skies

How I worry about you
Just can't live my life without you
Baby come here, don't have no fear

Oh, is there a wonder why
I'm really feeling in the mood for love

So tell me why you stop to think
About this weather, my dear
This little dream might fade away
There I go talking out of my head again

So baby, won't you come and put our two hearts together?
That would make you strong and brave
Oh when we are one, I'm not afraid, I'm not afraid

If there's a cloud up above us
Go on and let it rain
I'm sure our love together will endure a hurricane

Oh my baby
Won't you please let me love you
And get a release from this awful misery?

Oh pretty baby, you make me feel so good now
Let me take you by the hand
Come let us visit out there
In that new promised land

Maybe there we can find
A good place to keep a loving state of mind
I'm so crazy mama
Never knew what love was all about
Would you come home?
You can blow now if you want to
We're through
