

Warm Me Up

Elliott Yamin

It's snowing on this cold December
And it's just me and you
You know we belong together
All that I do, you know I'm true

Come warm me up, it's cold outside
Let's bundle up by the fire
Come warm me up, it's Christmas time
I want to know what's your desire

This holiday we'll celebrate
With candlelight and champagne
So come a little closer baby
I've got something for you
Won't stop until we're through

Come warm me up, it's cold outside
Let's bundle up by the fire
Come warm me up, it's Christmas time
I wanna know what's your desire

Kiss me underneath the mistletoe
I need you to know that I'm not going anywhere
I'll never leave you, you know it's true
On this Christmas Eve, Christmas Eve for you

Come warm me up, it's cold outside
Let's bundle up by the fire
Come warm me up, it's Christmas time
I want to know what's your desire

Come warm me up, it's cold outside
Let's bundle up by the fire
Come warm me up, it's Christmas time
I want to know what's your desire
