

## Pac Man

Elliphant

love love love love love  
love love love!!!

gada lay low but hold ur high, feet on the ground, nose dip in  
the sky, if u come around i got goals to feed u, then come agai  
n thats when i really need u, too menni mondays makin' me blue,  
this social rules made me look for u, but all i really want is  
where am longing trees, and i know u bin there n u felt the br  
eeze, time for night, u got all to loose, i last in struggles i  
f i loose ma shoes baby,

I am a pac man i  
will share me with u alright  
I am addicted to love,  
so come out to night.

left ma senses safer at home, every lonely step i take is one f  
or freedom, when we runnin', when we grow full power! blow me t  
ill u burst in this blissed hour, how menni brake downs burried  
in u, look how the weeds na push n break thru, give me just one  
reason for this desperate dreams, of happiness n lust in a can  
of cream, could this be right, could he be it, could he kizz m  
a neck right could he fix ma shit,

i am a pac man i  
will share me with u alright  
i am addicted to love so come out to night  
like two vampires  
blood hunting in the day light,  
u to, a junkie for it..  
so come out to night

pac man suffer love addiction  
am a  
pac man suffer love addiction

I am a pac man i  
will share me with u alright  
I am addicted to love,  
so come out to night.
