

# Madison Blues

Elmore James

Ah, you babes talk about your Madison shoes  
We got a thing we call the Madison blues  
We do the Madison blues  
We do the Madison blues  
We do the Madison blues baby  
Rock away your blues

I know a gal her name is Lindsey Lou  
She told me she loved me but I know it ain't true  
Put on your Madison shoes  
Put on your Madison blue shoes  
I got the Madison blues

Now put on your Madison blue shoes  
Ahh, you cats talking about your Madison shoes  
We do the thing we call the Madison blues  
We do the Madison blues  
We do the Madison blues  
We do the Madison blues baby  
Rock away your blues

Ah you babes talk about your Madison shoes  
We got a thing we call the Madison blues  
We do the Madison blues  
We do the Madison blues  
We do the Madison blues baby  
Rock away your blues
