

Believe

Elton John

I believe in love
It's all we've got
Love has no boundaries, costs nothing to touch

War makes money, cancer sleeps
Curled up in my father
And that means something to me

Churches and dictators, politics and papers
Everything crumbles, sooner or later
But love, I believe in love

I believe in love, it's all we've got
Love has no boundaries
No borders to cross

Love is simple, hate breeds
Those who think difference
Is the child of disease

Fathers and son, make love and guns
Families together, kill someone
Without love, I believe in love
Without love, I wouldn't believe
In anything
That lives and breathes

Without love, I have no anger
I wouldn't believe
In the right to stand here

Without love, I wouldn't believe
I couldn't believe in you
And I wouldn't believe in me

Without love, I believe in love
I believe in love
I believe in love
