Border Song

Elton John

Holy Moses I have been removed I have seen the spectre he has been here too Distant cousin from down the line Brand of people who ain't my kind Holy Moses I have been removed

Holy Moses I have been deceived Now the wind has changed direction and I'll have to leave Won't you please excuse my frankness but it's not my cup of tea Holy Moses I have been deceived

I'm going back to the border Where my affairs, my affairs ain't abused I can't take any more bad water I've been poisoned from my head down to my shoes

Holy Moses I have been deceived Holy Moses let us live in peace Let us strive to find a way to make all hatred cease There's a man over there what's his colour I don't care He's my brother let us live in peace He's my brother let us live in peace He's my brother let us live in peace
