

## Dirty Little Girl

Elton John

I've seen a lot of women who haven't had much luck  
I've seen you looking like you've been run down by a truck  
That ain't nice to say sometimes I guess I'm really hard  
But I'm gonna put buckshots in your pants if you step into my yard

When I watch the police come by and move you on  
Well I sometimes wonder what's beneath the mess you've become  
Well you may have been a pioneer in the trade of women's wear  
But all you got was a mop up job washing other people's stairs

I'm gonna tell the world, you're a dirty little girl  
Someone grab that bitch by the ears  
Rub her down scrub her back  
And turn her inside out  
'Cause I bet she hasn't had a bath in years

Here's my own belief about all the dirty girls  
That you have to clean the oyster to find the pearl  
And like rags that belong to you I belong to myself  
So don't show up around here till your social worker's helped
