

# I Think I'm Going To Kill Myself

Elton John

I'm getting bored  
Being part of mankind  
There's not a lot to do no more  
This race is a waste of time

People rushing everywhere  
Swarming around like flies  
Think I'll buy a forty four  
Give them all a surprise

Think I'm gonna kill myself  
Cause a little suicide  
Stick around for a couple of days  
What a scandal if I died

Yeah I'm gonna kill myself  
Get a little headline news  
I'd like to see what the papers say  
On the state of teenage blues

A rift in my family  
I can't use the car  
I gotta be in by ten o'clock  
Who do they think they are

I'd make an exception  
If you want to save my life  
Brigitte Bardot gotta come  
And see me every night
