

Madman Across The Water

Elton John

I can see very well
There's a boat on the reef with a broken back
And I can see it very well
There's a joke and I know it very well
It's one of those that I told you long ago
Take my word I'm a madman don't you know

Once a fool had a good part in the play
If it's so would I still be here today
It's quite peculiar in a funny sort of way
They think it's very funny everything I say
Get a load of him, he's so insane
You better get your coat dear
It looks like rain

We'll come again next Thursday afternoon
The In-laws hope they'll see you very soon
But is it in your conscience that you're after
Another glimpse of the madman across the water

I can see very well...

The ground's a long way down but I need more
Is the nightmare black
or are the windows painted
Will they come again next week
Can my mind really take it
