

## Rock And Roll Madonna

Elton John

If anyone should see me making it down the highway  
Breaking all the laws of the land  
Well don't you try to stop me  
I'm going her way  
And that's the way I'm sure she had it planned

Well that's my Rock-and-roll Madonna  
She's always been a lady of the road  
Well everybody wants her  
But no one ever gets her  
Well the freeway is the only way she knows

Well if she would only slow down for a short time  
I'd get to know her just before she leaves  
But she's got some fascination for that two wheel combination  
And I swear it's going to be the death of me
