Saturday Night's Alright For Fighting

Elton John

It's getting late have you seen my mates Ma tell me when the boys get here It's seven o'clock and I want to rock Want to get a belly full of beer

My old man's drunker than a barrel full of monkeys And my old lady she don't care My sister looks cute in her braces and boots A handful of grease in her hair

Don't give us none of your aggravation We had it with your discipline Saturday night's alright for fighting Get a little action in

Get about as oiled as a diesel train Gonna set this dance alight `Cause Saturday night's the night I like Saturday night's alright alright

Well they're packed pretty tight in here tonight
I'm looking for a dolly who'll see me right
I may use a little muscle to get what I need
I may sink a little drink and shout out "She's with me!"

A couple of the sound that I really like
Are the sounds of a switchblade and a motorbike
I'm a juvenile product of the working class
whose best friend floats in the bottom of a glass
