

# Something About The Way You Look Tonight

Elton John

1. There was a time  
I was everything and nothing all in one  
When you found me  
I was feeling like a cloud across the sun
2. I need to tell you  
How you light up every second of the day  
But in the moonlight  
You just shine like a beacon on the bay
- R: And I can't explain  
But it's something about the way you look tonight  
Takes my breath away  
It's that feeling I get about you, deep inside  
And I can't describe  
But it's something about the way you look tonight  
Takes my breath away  
The way you look tonight
3. With a smile  
You pull the deepest secrets from my heart  
In all honesty  
I'm speechless and I don't know where to start
- R: And I can't explain...  
  
The way you look tonight (8x)
