## **Stand By Your Man**

**Elton John** 

Sometimes it's hard to be a woman Giving all your love to just one man Oh, you have bad times, and you have good times Doing things that you don't understand

Hey, but if you love him, you'll forgive him Even though he's hard to understand And if you love him, be proud of him 'Cause after all, he's just a man

Stand by your man Give him two arms to cling to And someone warm to come to When nights are cold and lonely

Stand by your man
And show the world you love him
Keep giving all the love you can
