

# The Bridge

Elton John

I've seen the bridge and the bridge is long  
And they built it high and they built it strong  
Strong enough to hold the weight of time  
Long enough to leave some of us behind

R: And every one of us has to face that day  
Do you cross the bridge or do you fade away  
And every one of us that ever came to play  
Has to cross the bridge or fade away

Standing on the bridge looking at the waves  
Seen so many jump, never seen one saved  
On a distant beach your song can die  
On a bitter wind, on a cruel tide

R: And every one of us has to face that day...

And the bridge it shines  
Oh cold hard iron  
Saying come and risk it all  
Or die trying
