

Tonight

Elton John

Tonight,
Do we have to fight again?
Tonight,
I just wanna go to sleep
Turn out the light
But you wanna carry grudges
Oh, nine times out of ten
Hm, I see the storm approaching
Long before the rain starts falling

Tonight,
Does it have to be the old thing?
Tonight?
Oh, it's late, too late to chase the rainbow that you're after
I'd like to find a compromise
Ooh place it in your hands
My eyes are blind, my ears can't hear
Oh and I can not find the time

Tonight, just let the curtains close in silence
Tonight, why not approach with less defiance?
The man who'd love to see you smile
Who'd love to see you smile tonight

Tonight, just let the curtains close in silence
Tonight, why not approach with less defiance?
The man who'd love to see you smile
The man who'd love to see you smile, tonight
