## Tonight

Tonight, Do we have to fight again? Tonight, I just wanna go to sleep Turn out the light But you wanna carry grudges Oh, nine times out of ten Hm, I see the storm approaching Long before the rain starts falling Tonight, Does it have to be the old thing? Tonight? Oh, it's late, too late to chase the rainbow that you're after I'd like to find a compromise Ooh place it in your hands My eyes are blind, my ears can't hear Oh and I can not find the time

Tonight, just let the curtains close in silence Tonight, why not approach with less defiance? The man who'd love to see you smile Who'd love to see you smile tonight

Tonight, just let the curtains close in silence Tonight, why not approach with less defiance? The man who'd love to see you smile The man who'd love to see you smile, tonight **Elton John**
