## **True Love**

**Elton John** 

Suntanned, windblown Honeymooners at last alone Feeling far above par Oh, how lucky we are

While I give to you and you give to me True love, true love So on and on it will always be True love, true love

For you and I have a guardian angel On high with nothing to do But to give to you as you give to me Love forever true Love forever true

Give me more true love Oh yeah True love, true love

Gotta give me your true love Oh yeah True love, true love
