

Up Around The Bend

Elton John

There's a place up ahead and I'm going
Just as fast as my feet can fly
Come away, come away if you're going
Leave the sinking ships behind

Come on
We're going up around the bend

Bring a song and a smile for the banjo
Better get while the getting's good
Hitch a ride to the end of the highway
Where the neon wood

You can ponder perpetual motion
your mind on a crystal day
Always time for a good conversation
There's an ear for what you say

Catch a ride to the end of the highway
And we'll meet by the big red tree
There's a place up ahead and I'm going
Come along, come along with me
