Wrap Her Up

Elton John

There are ladies, illegal X's Mona Lisa's, well connected They may be shady, English roses Blue blooded, turned up noses

Money talks, see what it catches Postage paid, no strings attached She's a honey, she's a tramp Roaring twenties, molls and vamps

Wrap her up, I'll take her home with me Wrap her up, she is all I need Wrap her up, I only get one chance Beasts and beauties, but they all can dance

Wrap her up, I'll taker her home with me Wrap her up, she is all I need Wrap her up
Give her to me, wrap her up

Is she foreign, legs eleven
Italian girls, take me to heaven
You pretty babies, from Paris, France
Crazy horses, love to dance
