

# Helvetios

Eluveitie

Bodiacos  
Sunartiu  
Segos brigos  
Anaus

(Victorious  
By the good-force  
Vigorous, mighty  
Spirited)

From antumnos the life-giving winds  
Fanned the flames into a blaze  
The awen of the mighty

By the force of Succellus sledge (sledgehammer)  
By every impact of Ogmios club  
With Bricta's invincible epiphany

A tribe arose  
A tribe broke forth

Cause we're born free  
Cause we're born wild  
Cause we are indomitable and bold  
Cause we are fire  
Cause we are wave  
Cause we are rock  
We are one - we are helvetios

The ears tethered to the divine tongue  
Following the ancient wise  
As laughter fills antumnos

Drinking from the cup of life  
The well that's never running dry  
We wandered into the light of day

Again Taranis enthean wheel revolved  
From antumnos life was upheaved

By the force of Succellus sledge  
By every impact of Ogmios' club  
With Bricta's invincible epiphany

Cause we're born free  
Cause we're born wild  
Cause we are indomitable and bold  
Cause we are fire  
Cause we are wave  
Cause we are rock  
We are one - we are helvetios

Cause we're born free  
Cause we're born wild  
Cause we are indomitable and bold  
Cause we are brave  
Cause we are strong

Cause we are tribe  
We are one - we are helvetios
