## **The Endless Knot**

As the shore is not sea nor land, Like the time between the times Where the dawning is not day nor night You are between the worlds...

Endless circle, bearing my footprints With fast-sure-hand you guide my steps

And so I trod on your endless paths And travel on throughtout eternity In these labyrinths of life Not to know what the next step will bring

And so I trust in your endless paths And travel on throughout eternity In these labyrinths of life, Not to know what the next step will bring

You keep the wrlds aligned You bond b'tween soul and flesh You draw to the heart of hearts With wisdom beyond fate

Endless knot, bearing my footprints With fast-sure-hand you guide my steps
