## **Baby Plays Around**

**Elvis Costello** 

It's not open to discussion anymore She's out again tonight and I'm alone once more She's all I have worth waiting for But baby plays around And so it seems I've always been the last to know To hold on to that girl, I had to let her go I wish to God I didn't love her so 'Cos baby plays around

I try to be strong hold on to my pride She doesn't even know it's wrong, how much I hurt Inside And heaven knows I've tried But baby plays around. just a plaything It's hard to reconcile the facts I'm facing

It's not open to discussion anymore She walks those shiny streets I walk the worn out floor She's all I have worth living for Baby plays, baby plays around
