Lipstick Vogue

Elvis Costello

Don't say you love me when it's just a rumour Don't say a word if there is any doubt. Sometimes I think that love is just a tumour; you've got to cut it out.

You say you're sorry for the things that you've done. You say you're sorry but you know you don't mean it. I wouldn't worry. I had so much fun. Sometimes I almost feel just like a human being

It's you not just another mouth in the lipstick vogue It's you not just another mouth in the lipstick vogue oh yeah.

Get to the slot machine almost dead on arrival Just hit me one more time with that live wire Maybe they told you you were only a girl in a million You say I've got not feelings; this is a good way to kill them.

Select the control and then insert the token You wanna throw me away but I'm not broken. You've got a lot to say. Well I'm not joking. There are some words they don't allow to be spoken. Sometimes I almost feel just like a human being

It's you not just another mouth in the lipstick vogue
